Re: Finding and Collection of Funds

Dear Madam or Sir:

I'd like to take a moment to share my thanks and favorable impression of EdgePoint.

We were randomly contacted by EdgePoint stating they had found uncollected funds with our business name as the receiver. Naturally, with so many scams on line we were a little hesitant. However, after a few conversations with the office and recognizing our busy business schedules may likely leave unfinished dealings, we were comfortable in proceeding with the agreement offered.

We found the compensation agreement to be reasonable and without risk to ourselves.

Quite timely, EdgePoint produced the uncollected funds and we quickly received a check for same. Additionally, the principals were easy to deal with and answered all questions during the process to our satisfaction.

We would highly recommend EdgePoint and hope they may be contacting us in the future with additional uncollected funds!

Thank you EdgePoint for completing our loose ends. You are much appreciated!
